

Letter of Recommendation

September 30, 2024
Ugbor David Chibuike
Chiflowz Automobile Parts
Lagos, Nigeria.

To Whom It May Concern,

I am pleased to recommend Zainab Adekunle, who worked with Chiflowz Automobile Parts as a Junior Logistics Manager/Workshop Supervisor from November 2021 to July 2023.

During her time with us, Zainab effectively managed workshop operations, providing technical supervision to staff and ensuring smooth, efficient workflows. She also oversaw supply chain management, coordinating logistics and maintaining timely delivery of parts nationwide. Her ability to organize, assign tasks, and create schedules was vital to the success of our operations.

Zainab is hardworking, organized, and a strong leader. She would be an asset to any team, and I highly recommend her for any future role.

Sincerely,

Ugbor David Chibuike
